

Call for Volunteers (Ad Hoc)

CCA is looking for some Ad Hoc volunteers to get involved with various areas of CCA's work including exhibition installation and research. Ad Hoc volunteers are sometimes a one-off extra pair of hands for an event, or a few days or weeks, depending on the needs of the project and the circumstances of the volunteer. While this is an opportunity for Ad Hoc volunteers, CCA will soon be recruiting for our 8-week volunteer programme in 2019. Keep an eye on our website for information on how to apply in the coming months, if you are interested in getting involved longer-term.

As a volunteer you will receive instruction and guidance from CCA staff and will be trained to museum standards in whatever the task requires. We are looking for keen individuals with a passion for contemporary art and willingness to get involved; a desire to learn; professionalism; approachability and a positive attitude; a polite and patient demeanour; and good communication skills with a broad range of people from the general public to arts specialists.

To become an Ad Hoc volunteer please complete this form and return it with your current CV and equal opportunities monitoring form either by post to:
